

SONOMA COUNTY  
PROTECTIVE LEAGUE

ROOM 9, ELKS BLDG.  
PHONE 1030

SANTA ROSA, CALIF.. June 13, 1916

Mr. L. W. Justi,  
Glen Ellen, Cal.

Dear Sir:--

The Sonoma County Protective League was organized recently for the purpose of working toward the end of defeating Amendments XXIV and XXIVa, better known as the Prohibition Amendments.

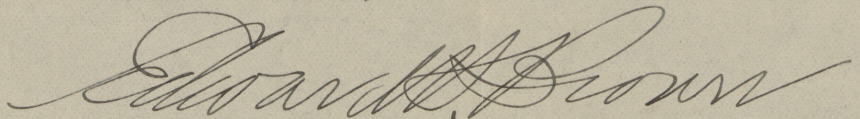

The League is making a strenuous effort along educational lines, endeavoring to show the people of Sonoma County the injustice in these two Amendments. We have interested in the movement men in all walks of life who are giving their moral and financial support in our efforts to defeat these Amendments.

At a recent meeting of the League an estimate was made as to the probable total cost of the campaign and as to what part of the total cost should be cared for by the Retail Liquor dealers resulting in an assessment of \$25 for each dealer in the County, we have every reason to believe that this amount will carry on the campaign.

You appreciate there is much work to be done between now and November 7th and every assistance rendered will help us to accomplish our aim, therefore, a prompt reply with your contribution will be greatly appreciated and will also lessen our burdens in no small degree.

Thanking you in advance, I remain

Yours sincerely,

P. S. An executive committee has been appointed and all bills will be audited by this committee, in other words all funds will be properly handled and accounted for.
